

# Crisp Food Technologies® CF1900L

Clear polypropylene dome lid fits the 1-compartment CF1948 and 2-compartment CF1940-2 oval bases. The Crisp Food Technologies® Containers and Lids use an exclusive, convection cross-flow technology design to relieve moisture and condensation while maintaining product temperature. Through-the-closure ventilation, along with raised airflow channels in the base of the container, combined with venting in the anti-fog lid, ensure that fried foods remain crispy. The unique design of this packaging system retains internal temperatures better than other rigid containers currently in use for fried foods. As in all Culinary Series containers, it is designed to withstand temperatures to 230°F in warming unit displays, under heat lamps, and in the microwave.

Independent, side-by-side tests at several leading retailers and restaurant chains demonstrate that the Crisp Food Technologies® Containers preserved the temperature and texture of fried foods longer than competitive materials during 30-minute delivery. It also outperformed the other fried chicken containers in the Supermarket Deli hot case: Better texture, better temperature retention, better tasting fried foods. The package holds hamburgers and fries, several pieces of fried chicken, as well a variety of other fried food items. Made of polypropylene (#5PP), and is microwave-safe, dishwasher-safe, consumer reusable, and eligible for recycling.

## Specificaton

SKU: 4331900

Product Number: CF1900L

UPC Code: 72184443171 2

GTIN-14 Code: 00 72184443171 2

Case Pack: 380

Case Weight: 24.03 lbs / 10.9kg

Case Dimensions: 22.993" x 17.868" x 24.487" / 58.4cm x 45.38cm x 62.2cm

Case Cube: 5.82 ft3 / 0.16m3

Cases Layer: 4

Cases High: 4

Cases Pallet: 16

## Product Details

Dimensions: 10.70" x 8.40" x 1.79" / 27.18cm x 21.34cm x 4.55cm

Application/Temperature: Cold Foods, Refrigerated Foods, Hot Foods, Heat Lamps, Microwavable, Warming Units

Material: PP-Polypropylene #5 PP

Sustainability: Consumer Re-usable, Eligible for Recycling
