

**It's a basic fact...
 a better package...
 means a better
 tasting takeout
 dining experience.**

BETTER

BEST

The ultimate in a takeout package. All the advantages of the Culinary Basics PLUS...

- **2 to choose from.** 9" x 9" and 9-1/2" x 10-1/2", both 2-1/2" deep in a versatile single compartment design.
- **Durable and leak resistant.** Culinary Basics are more durable than styrene, without the worries of tearing or cutting through with a knife and fork.
- **Hot food that Smells Good.** Culinary Basics are heat-tolerant, and superior to polystyrene, PET, and PS foam for hot food applications. No off-odors or flavors.
- **No waste.** Culinary Basics are dishwasher safe and can be re-used by the consumer.

- **More Choices.** Award-winning design—8 containers, 3 sizes, with 1-3 compartments
- **Deeper Profile.** Culinary Classics offers a deeper 3" profile.
- **The Industry Standard in Take-out Containers.** Culinary Classics is offered in premium gauge polypropylene, designed to stand up to the hottest conditions under heat lamps, in warming units, and in microwaves.

13515 Barrett Parkway Drive • St. Louis, Missouri 63021 • 800.467.3900 • 314.822.7800 • fax: 314.822.7078
 Anchor products are BPA-free.
