

An Addition to the Family

Introducing the
small Incredi-Bowl™ in 5, 8, and 10oz sizes.

- The whole family is made from reusable and recyclable polypropylene.
- Each has the same great looks and strength as the original bowls (12 oz., 16 oz.)
- These new bowls share 1 single vented lid, minimizing skus.
- And just like the originals, they're heat-tolerant to 230°F under heat lamps and in warming units.
- Dishwasher and microwave-safe.
