

STACKED

Moisture and heat are the enemy of the paper container. But with the Incredi-Bowl, you have a package that is stacked with features and loaded with value. Robust enough for the hottest soup, chili, or pasta, or the coldest, creamiest ice cream sundae.

PRODUCT VISIBILITY:

The food is the focus. Increase visual appeal while assuring order accuracy.

HEAT TOLERANT:

Maintains its integrity when staged under heat lamps, in warming units/tunnels, or when heated in the microwave up to 230°F.

LEAK-RESISTANT:

Transports safely with a secure-snap closure.

UPSCALE DESIGN:

Classic black bowl with clear vented anti-fog lid for excellent food visibility.

DURABLE:

Stacks up to 3 high with reinforced rib design.

FLEXIBILITY:

Available in 12-20 oz. sizes.

With the Incredi-Bowl, your product takes on a bold new look at a lower cost than paper, allowing your sales and margins to stack up.
