

Turn Silver into Gold, while being Green

“Silver” foil products from Anchor that put more “Gold” in your pocket. Combined with a family of foodservice packaging that is ReUsable and/or Recyclable, it’s the “Green” thing to do.

HIGH-QUALITY PRODUCTS, AT VALUE PRICES.

- **NEW ANCHORFOIL PRODUCTS.** Anchor continues to listen to your needs, and have added 10 new SKUs. AnchorFoil now offers 33 SKUs of foil products.
- **REDUCE WORKING CAPITAL.** Anchor now has almost 500 products to choose from. Combining smaller quantities of foil, film, and take-out plastic containers to meet minimum order requirements means less money tied up in inventory. Increase your inventory turns.
- **CONSOLIDATE PURCHASING.** One vendor to call, One truck to receive.
- **ENVIRONMENTALLY SMART.** Fewer truck miles, saving fuel, money and reducing the carbon footprint. And many of our foil, plastic container, and wrap products are either consumer-reusable, recyclable, or both.

**1-stop, 1-transaction, 1-shipment.
It doesn't get any easier.**
