

Cold Condensation Cancelled

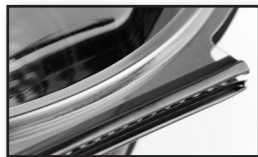

Which salad would you buy? Introducing the All New Gourmet Classics from Anchor Packaging

NEW Anti-fog Cold Technology

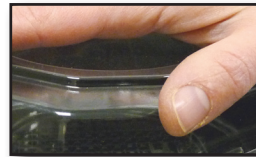

Anti-condensation technology in cold temperatures. Consistent lid clarity means great-looking food that is seen. Better impulse sales.

NEW Tear-Away Hinged-Lid

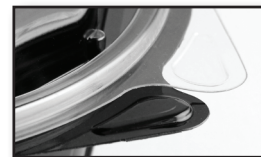

Customers can tear-off the perforated hinged lid, and place it under the base where it neatly interlocks in place.

Single-Piece Base & Lid

One-hand closing-fast and easy. Single-piece simplifies ordering, inventory and handling in your operation.

Textured Tabs

Offsetting textured tabs on bowl & lid facilitates opening.

- **6 SIZES** - 3 footprints of 6", 7-1/2" and 9" in either shallow or deep profiles.
- **LEAK-RESISTANT**, secure fitting lids. No leaks on the car seat during the trip home.
- **DURABLE** - Won't break if dropped, even in temperatures down to 20°F.
- **STACKABLE** - Each of the 3 footprints stacks easily with interlocking nesting lids and bases—during staging, in display cases, or in the takeout bag.
- **RECYCLABLE** - Made of  PET, the most recycled plastic nationwide.
