

Heat Up the Party or Keep it Cool!

**A Fresh New Look
for Your Next Event**

Perfect for both hot and cold foods, Anchor Packaging's versatile Mega-Meal™ product line brings an **upscale image to your food presentations**. Great for appetizers and finger foods or to package the main course; this line of shallow 38oz., medium 80oz. and deep 100oz. black, polypropylene ♻️ containers can be filled with cold or hot foods and transported securely with our clear, leak-resistant lid. One lid fits all sizes reducing inventory and the anti-fog material provides **food visibility eliminating errors** on drop offs and keeping the operation running smoothly during set-up. Able to withstand temperatures up to 230°F and microwave-safe, these packages are also designed with cool to the touch flanges for easy lifting. Strong, durable, and dishwasher safe features reduce waste and allow multiple uses by the consumer, but is also eligible for recycling. Make your event one to remember by showing off your new look. *For more information about how Anchor can heat up your summer or keep it cool, visit our website and click on the WHERE TO BUY tab to find the sales person near you.*
