

# Your Best Never Looked So Good

## PACKAGING AS GOOD AS THE FOOD YOU PREPARED

Enjoy the holiday season with worry-free Mega-Meal™ from Anchor Packaging. Your food presentation will make a lasting impression on your customers when you choose the best package in the market. Perfect for keeping food looking great behind the scenes or for serving right on the table, Mega-Meal™ containers replace half size aluminum pans for both hot and cold foods.

- Upscale black polypropylene containers available in three depths holding 2, 5, or 6 lbs.
- Clear anti-fog polypropylene lid keeps food looking fresh & appealing while avoiding errors
- Durable and strong design is cut proof and resistant to grease and oils
- Leak-resistant closure keeps food secure during handling and transport
- Works well for hot foods up to 230°F, under heat lamps and in the microwave
- Great for appetizers, side dishes, entrees and cold desserts.
- Containers made with up to 40% less petroleum-based resin are dishwasher safe
- Bases and lid are eligible for recycling after multiple uses by consumer

**Make your food stand out from the crowd!**

**Choose from a wide assortment of products from Anchor Packaging for your drop off events.**
