

HEAT UP DELI SALES

Eye-Catching Appeal Drives Impulse Sales

- **Performance in every style:** A variety of designs developed to highlight your food in the heat. Both the clear, anti-fog lids and the bases, made with strong and durable polypropylene, combines for a leak-resistant closure to protect you and the consumer from messy spills.
- **Turn up the heat:** Containers and vented lids in various sizes and depths will withstand temperatures up to 230°F in hot case merchandisers, under heat lamps or in the microwave to make your food the star attraction.
- **Right to the table:** Elegant, stylish designs offer table-ready presentations to serve large or small whole roasters, half-chickens, turkey and chicken breasts, ham and pork roasts, beef tenderloin, meatloaf, and many more main course selections.
