

The Present Everyone Loves to Open

Lasting Impressions Drive Repeat Sales

Attractive table-ready presentations for your hot and cold foods

- Black base highlights your mouth-watering food creations and clear, anti-fog lid maximizes food visibility
- Easy to close design keeps lid secure and leak resistant seal prevents messy spills in transit
- Packages designed with opening tabs and re-close features make last minute touches easy
- Consumers prefer reusable packages and materials that are recyclable
- Post-consumer RPET packages for cold foods and polypropylene lids with mineral filled polypropylene bases for hot foods are available in many sizes and shapes
