

# Escape the Barn

## Hot. Crisp. Better tasting fried foods.

*Independent, side-by-side tests at several leading retailers demonstrated that the "Crisp Food Containers" outperformed other fried chicken containers.*

## Crisp Food Containers

- **Food Stays Crispy.** Exclusive, patented, Convection Cross-Flow™ ventilation design relieves moisture and condensation.
- **Food Stays Hot and Safe.** Retains internal temperatures required by local health department regulations. Withstands up to 240°F in warming unit displays, under heat lamps or in the microwave.
- **Excellent Merchandising and Visibility.** Anti-fog high heat polypropylene with hinged, vented, clear lid keeps food fresh and appealing driving impulse and repeat sales.
- **Large Capacity.** Large size holds up to 8 large pieces of chicken and small holds 4 large pieces. Small is also perfect size for wings and other finger foods. Both keep a variety of fried foods crisp and appetizing.
- **Consumer Reusable and Recyclable.** Packages are made with cut resistant and dishwasher-safe polypropylene . Recyclable curbside after multiple uses.

All products are BPA-free and eligible for recycling ©2015 Anchor Packaging, Inc - St. Louis, Missouri
