

# What Are You Hiding In That Bag?

## Display the whole bird proudly.

### Nature's Best® Roasters Drive Impulse Sales.

- Large panels on clear dome lids provide an unobstructed view of contents
- Leak-resistant closure prevents messy spills and keeps lids securely in place
- Clear Guard™ integral anti-fog keeps food looking fresh and appealing in hot case
- Black bases provide table-ready presentation with no re-plating or clean-up required
- Polypropylene bases made with 40% less petroleum based resin reduces carbon footprint
- Bases and domes withstand temperatures to 230°F in warming unit, heat lamps, or microwave
- Protect the bird with packages that perform and are recyclable curbside ♻️.
