

PROCESSOR TRAYS

FOR PREPARED READY-TO-HEAT FOODS

High Speed Automation

Wide Seal Flange

6" x 8" Retail Size

Many footprints available

FILM SEAL CLOSURE

Flat flanges provide excellent surface for a reliable seal with lidding film. Overcap polypropylene lid can be used with or without lidding film, providing a reusable, resealable food storage container.

STRONG AND DURABLE

Bases are made of strong, high impact co-polymer polypropylene that withstands the rigors of the refrigerated and frozen distribution channels.

HIGH HEAT PERFORMANCE

Withstands temperatures to 230°F. Ideal for hot fill and microwavable applications. Resistant to hot grease and oil.

REUSE AND RECYCLE

Dishwasher-safe and consumer reusable. A valuable bonus for your customers who can reuse multiple times and recycle curbside. ♻️

	Product Number	SKU Number	Description	Capacity (oz. /ml)	Dimensions (length x width x depth)	Case Pack
	M400-16R	4544021	Black microwavable rectangular tray	16 oz 473ml	7.85" x 5.85" x 1.33" 19.9cm x 14.9cm x 3.4cm	570
