

Culinary Lites® CL8831C

**8" x 8" Hinged Container 17/4.5/4.5 oz
 Microwavable 3-Comp. Clear Base With
 1-Comp. Clear Anti-Fog Tear-Away Lid**

Culinary Lites® clear base and lid, hinged containers offer increased value and affordable alternatives to foam and paper clamshells. Will withstand temperatures to 210°F under heat lamps, in warming units, and microwaves. One large and two smaller compartments segregate sides from the main course keeping flavors separated. The clear, anti-fog lid is vented to allow steam to dissipate, keeping food looking fresh and appealing while eliminating order errors. Stacking will not block the vents to preserve the texture of the food, and the positive stack maintains the food presentation during transport. Secure snap closure ensures freshness and eliminates messy spills. Offset tabs make it easy to open and reclose. The durable, cut-resistant polypropylene allows your customers to eat right out of the container.
