

Nature's Best® Roaster Grande R1080

10.3" x 8" Combo Pack Extra-Large Roaster Microwavable Black Base And Clear Anti-Fog PP Lid

Nature's Best® Roasters utilize advanced engineering techniques, resulting in a 40% reduction in oil-based polypropylene resin, while providing a structurally stronger base. The contemporary design polypropylene lid is easily secured to the base and will not crack like polystyrene. Leak-resistant lid eliminates messy spills and the need to over-wrap or tape. Unique venting allows steam to escape, and the integral anti-fog material formula reduces condensation for maximum food visibility. Raised ridges in the base drain juices away from the chicken to maintain freshness. The Roaster Grande holds a whole chicken up to 6 pounds (pre-cooked weight).
