FEATURING PERIMETER-FRESH™ CLOSURE

ONE-PIECE CLEAR DESIGN

Crystal-clear PETE hinged containers enhance food presentations and consumer appeal to drive impulse sales from grab & go displays. Wide flat panel on the bases and the smooth lid surface provide ingredient label positioning. Affordable alternatives to other clear, hinged packages.

POPULAR SIZES FROM 8 TO 48 OUNCES

Available in three versatile sizes: Series A – 5.5" x 5" in 8, 12, 16oz; Series B – 7" x 6" in 24, 32oz; and Series C – 8" x 8" 48oz. Flat lids assist with portion control and corner tabs provide intuitive consumer-friendly features for easy opening!

SNAP CLOSURE LOCKS IN FRESHNESS

"Perimeter Fresh" design locks in freshness with a quick-snap closure. The leak-resistant seal prevents messy spills, extends product shelf life, and reduces costs from spoiled food. Easy to close by hand or on high-speed automation.

DURABLE & RECYCLABLE

Perfect for fresh, refrigerated and freezer applications from 15°F to 140°F. No odor or taste transmission to food contents. Durable material provides excellent strength and crack-resistance. Most widely recycled material, PETE  is eligible for curbside pickup in most communities.

	SKU Number	Product Number	Description	Capacity (oz. /ml)	Dimensions	Case Pack
