Subject: FDA Food Contact

Date: January 4, 2023

Product: Ag-Based Molded Fiber Foodservice Products

Product Description: Natural unbleached virgin agricultural fiber

Anchor Packaging LLC hereby represents that the fiber products listed above are subject to the conditions of use or other restrictions as listed. This product is neither adulterated nor misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act (the "Act") nor an article that may not, under the provisions of Sections 404, 505, or 512 of the said Act, be introduced into interstate commerce. This representation shall apply only if such product is used in conformity with 'Good Manufacturing Practices' for food and drug packaging, including ensuring the fiber is utilized in a manner that doesn't negatively affect the characteristics or organoleptic properties of the packaged food, within the meaning of the Act and regulation promulgated pursuant thereof. This determination based on the information from our suppliers and/or general industry knowledge. Anchor Packaging is a distributor of Molded Fiber Foodservice Clamshells and induces no changes that would affect compliance with the indicated regulations. Anchor relies on good faith with its suppliers and guarantees compliance of the products as described above up to the time the products ship. Thereafter, it is the responsibility of the customer to maintain all applicable conditions and specifications outlined under the mentioned regulatory categories.

Complies with: 21 CFR 174.5 (General Provisions)
