Subject: Letter of Compliance for Phthalates, PFAS, and Dioxane

Date: January 4, 2024

This letter is in response to your request for more information regarding the use of Phthalates, PFAS, and Dioxane in our products. Please be advised that Anchor Packaging food service products do not contain intentionally introduced amounts of Phthalates or PFAS and will pass the standard of less than 100 parts per million. 1,4 Dioxane is not contained in our products and is not formed during our manufacturing process.

Anchor Packaging relies on literature from our suppliers to guarantee compliance of our products, based on the documentation of our suppliers, our foodservice products do not contain Phthalates, PFAS, or Dioxane

Anchor Packaging products are not intended to prepare food and should not be considered for compliance to CA requirements for Chemicals in Cookware.
