Subject: REACH 233 Compliance

Date: January 2, 2024

Statement of Anchor Packaging Non-use of SVHCs in food contact products (re: REACH regulation).

The products manufactured by Anchor Packaging do not intentionally add any substance to the current list of the 233 Substances of Very High Concern (SVHCs) identified in the REACH Regulation.

Anchor Packaging relies on literature from our suppliers to guarantee compliance of our products. Based on the documentation from our suppliers, our foodservice products do not contain any of the SVHCs identified by the REACH regulation.
